INFOSIGHT360 BOARD PORTAL

Board Work. Simplified.

Managing board meetings involves a lot more than the meeting itself. The InfoSight360 Board Portal brings meeting preparation, communication, and follow up together in one organized place.

Less time managing materials. More time focused on your board.

Prepare. Spend less time pulling together meetings, agendas, and materials.

Communicate. Make it easy to share updates and keep board members informed.

Engage. Give board members the information and tools they need to actively participate.

Centralize. Bring meetings, documents, discussions, and resources together.

Decide. Simplify voting and keep board decisions organized.

Follow Through. Create clear assignments turn meeting discussions into next steps .

Affordable. Get more value with special discounted pricing for affiliated credit unions.
